Memories Of Emerson Junior High School Pomona, Calif. 1976-77

Going to class - when we have to . . .

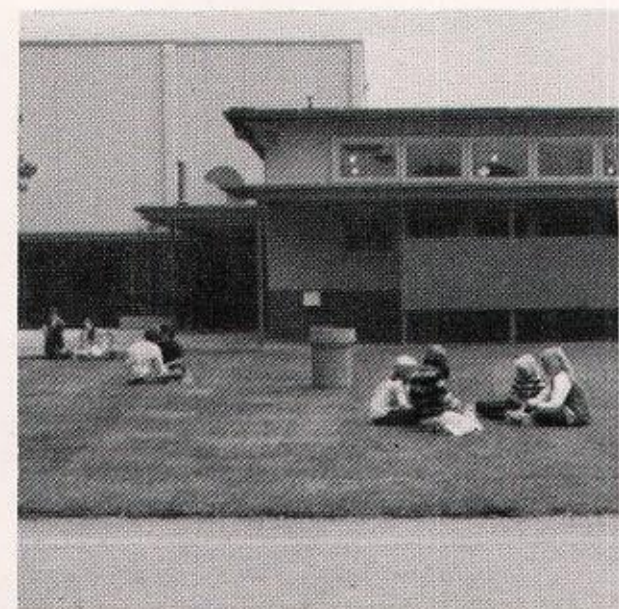

Being Creative - once in a while . . .

Memories

Friends may come
And friends may go
But wherever they are
They'll always know
Despite the things they
Have in their heart
Their memories of you
Will never depart.

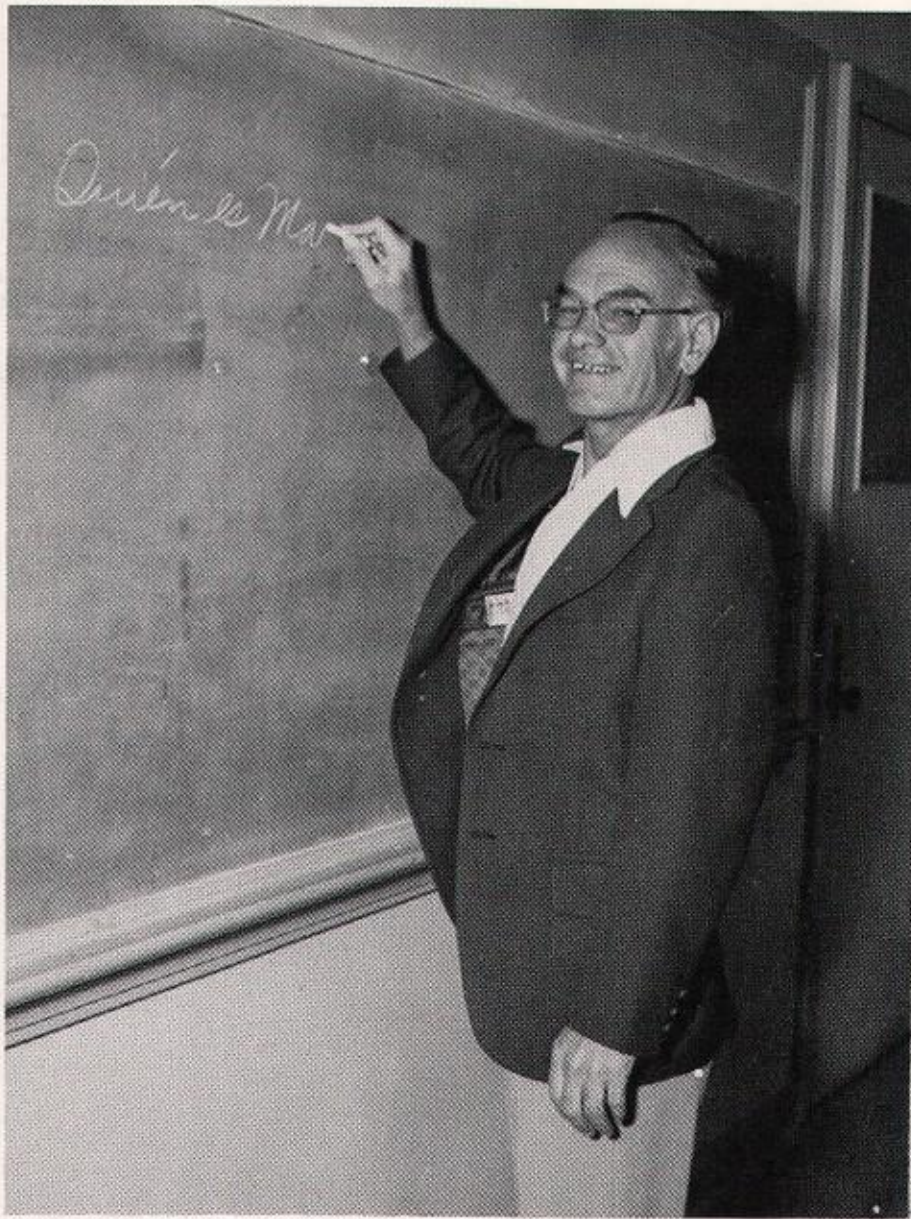

Waiting in line - a lot . . .

Relaxing - as much as possible . . .

If We Had The
Chance To Do
It All Again . . .

This year the Annual is dedicated to Mr. Johnson. Mr. Lynward Johnson has been a teacher for 38 years. In those years, he has taught 8 years at Emerson, he's been a Vice-Principal at Pomona High for 4 years, Principal at Emerson for 2 years and Principal at Pomona High for 8 years. He said he's always been connected with schools in some way. He really enjoys seeing each student grow as an individual.

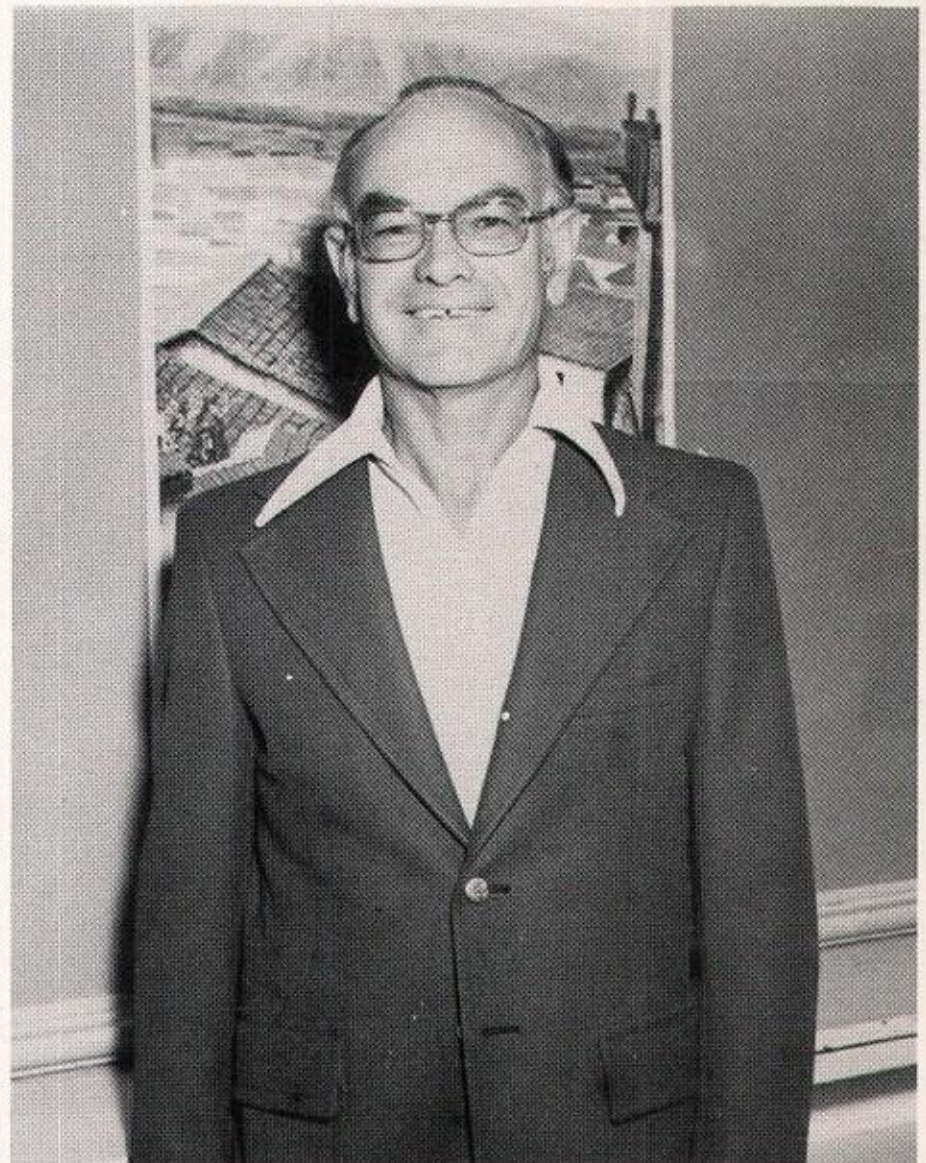

Mr. Johnson has taught English, Dramatics, Tennis, Spanish, U.S. History, Geography and Creative Writing. He enjoys stage plays and Musicals. Some of the sports he likes are handball and tennis. He is active in both sports.

This summer, Mr. Johnson went to Switzerland. He loves to travel and he really enjoyed his time there.

Mr. Johnson is retiring this year. After he retires, he would like to tour as a tennis player and teacher. He also wants to travel and "just take it easy."

We will all miss Mr. Johnson. Let's hope he'll come back and see us!

The Eagle by Alfred Tennyson

He clasps the crag with crooked hands;
Close to the sun in lonely lands,
Ringed with the azure world, he stands.

The wrinkled sea beneath him crawls;
He watches from his mountain walls,
And like a thunderbolt he falls.
